

# Moccasin Project 2023

Objective: Students will research what traditional moccasins look like in their tribe. Students will know that moccasins looked differently in different regions.

Consider:

What evidence is there that the geography influenced what the moccasins or shoes looked like?

If you can, bring or email Mary a picture of traditional moccasins from your tribe to share with the group.

Words of the week:

Moccasin (or shoe) \_\_\_\_\_

Phrases of the week:

"I can wear" \_\_\_\_\_

"I can sew" \_\_\_\_\_

"I can dance" \_\_\_\_\_

Please bring your moccasins to the Valentine's Party on February 13 for the cake dance!
