

Keychain Beading

Students will continue to add to their beading skills by making a beaded rope keychain!

As part of beading, you must use counting skills. This week for language exploration, see how high you can count! See attached sheet at the bottom for numbers.

Can you count to 50?

Are there patterns that you notice?

Other words for language exploration this week:

Leather _____ pronunciation: _____

Knot _____ pronunciation: _____

Thread _____ pronunciation _____

OR rope _____ pronunciation _____

If you were in the program last year or the year before, we learned colors, remind yourself of these:

turquoise _____

red _____

blue _____

Yellow _____

Orange _____

white _____
